

Confidence delivered

With over 30 years of experience, Air Business manages all your event logistics with precision and care. From freight forwarding to customs clearance, to storage and on-site support, we ensure a smooth process so you can focus on event success.

Seamless logistics, happy exhibitors

At Air Business, our mission is to bring a whole new level of customer experience to the events sector.

We are committed to providing an outstanding service and believe in building genuine partnerships that contribute to a positive event experience.

With over 30 years of experience and a global network of high-quality, trusted and tested partners, our event logistics team has the expertise to manage all your freight and logistics needs.

By appointing us to manage your event logistics, you can relax knowing your logistics is in safe hands.

Global logistics experts in events, freight, publishing and e-commerce

Excellent customer service is at the heart of everything we do

Part of An Post, the Irish Post Office, renowned for its quality and social responsibility

We ensure exhibitor success

We understand that happy exhibitors are the key to successful events. That's why we work closely with you, managing your needs with care and attention. Our services ensure a smooth experience throughout the event.

1. Collection and delivery of goods

Coordinating with our trusted partners, we collect your event materials from any location worldwide.

2. Transportation to the event site by air, road and sea

Our freight specialists ensure that items are transported to the exhibition site in the most efficient and sustainable way possible.

3. Customs clearance

Our customs team ensures all paperwork is complete and correct before the despatch of your items and will liaise with customs to prevent delays.

4. On-site event logistics management

We provide on-site support and resolve any delivery issues, ensuring you are well looked after.

5. Empty case storage during the event

We will safely store all packing materials on-site during the event and deliver them back to your stand at the end.

6. Return to origin, storage or onward forwarding

Between events, we can store your materials, return them to their chosen destination or forward on to your next event.

Top three logistical challenges faced by exhibitors:

✗ **Challenge:** Goods get stuck in customs.

✓ **Solution:** We have a network of tried-and-trusted global partners to assist with all aspects of freight and customs clearance. We're available 24/7 to resolve any issues.

✗ **Challenge:** Goods arrived somewhere in the venue but not at their stand.

✓ **Solution:** Our expert on-site teams always strive to find solutions, providing you with peace of mind and enabling you to focus 100% of your attention on the show.

✗ **Challenge:** Third-party logistics provider fails in its service provision.

✓ **Solution:** Air Business will manage the transport and logistics of your items on your behalf, ensuring a smooth, reliable service from start to finish.

“ Our approach is meticulous, our execution is consistent and our results are delivered with unwavering confidence.

What our clients say about us

I always trust Air Business to deliver. Their customer service is first class.

Mark Allen Group

We rely on Air Business to send our materials to film festivals all around the world. For Venice, we send over 3,000 items each year and it's a complicated drop-off to the venue on the Lido, an island separated from the main city. They just sort it and always keep me informed – even on a bank holiday.

Media Business Insight

If you are looking for a UK event partner, we would highly recommend using the services of Air Business Ltd. Their services are excellent. They will take care of the importation formalities on your behalf and provide warehouse storage facilities before and after the event. Their staff are efficient and attentive to your requirements. They can provide all the services you will require when shipping to/from the exhibition. The perfect partner.
